1.当您第一次在万方数据库（包括万方医学网）中下载中华医学会系列期刊文章时会出现下面的情况：

The screenshot shows the article page for '检验医学' (Clinical Laboratory Diagnostics). The top navigation bar includes '正文' (Full Text), '作者信息' (Author Information), 'English Abstract', '评论' (Comments), and '相关资源' (Related Resources). A red box highlights the '注册新用户' (Register New User) button in the '阅读全文' (Read Full Text) area. A yellow warning box at the top states: '以下内容版权所有，任何个人和机构未经授权不得转载、复制和发布，违者必究。' (The following content is copyrighted, and any unauthorized reprinting, copying, or distribution by individuals or organizations is prohibited, and violators will be held accountable.)

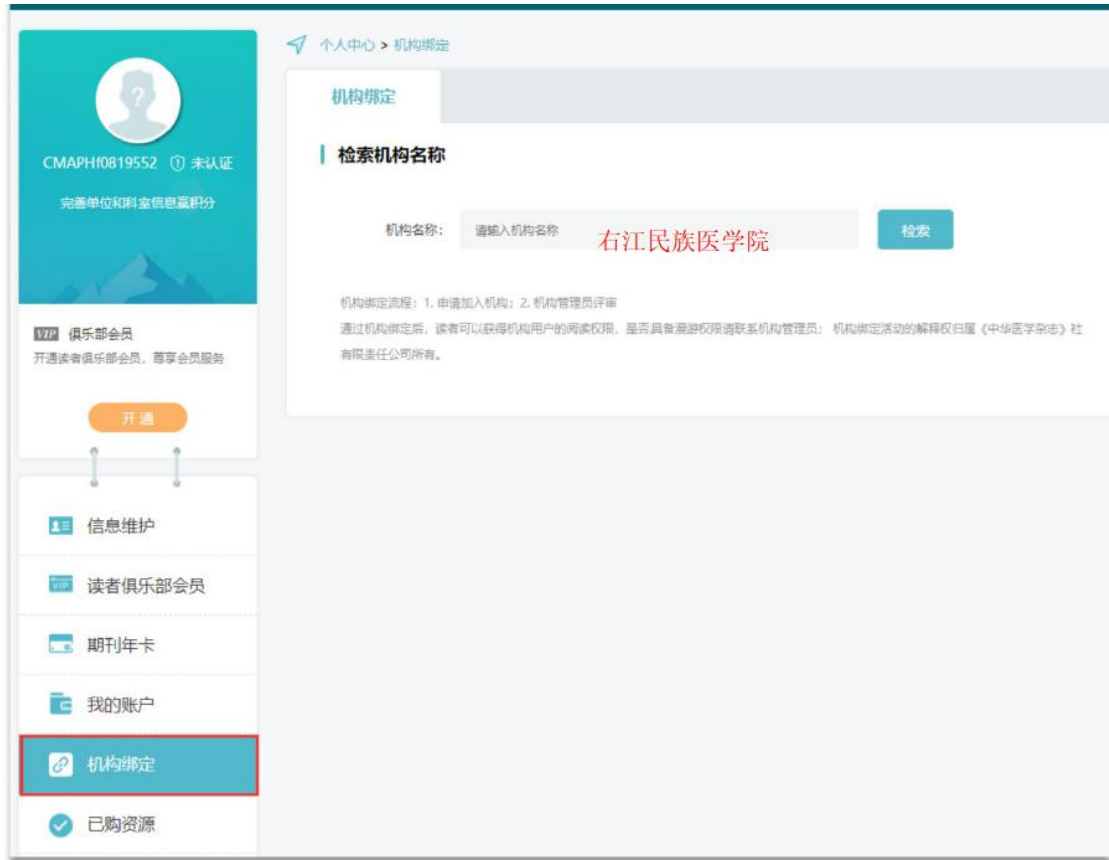

此时，您需要“注册新用户”：

A red box highlights the '立即注册 / REGISTER' button. Below the form, there is a checkbox for '我已经看过并同意《用户协议》 / I have read and agreed the Network Usage Agreement' and a link for 'No Phone number?
